"Come in, daughter," he said. Though he seldom left the city, Early prided himself on his knowledge of all the Archipelago, gleaned from his sailors' reports and the marvelous ancient charts kept in the palace. He studied them nights, brooding on where and how he might extend his empire. She came back towards the three men, and said, "Azver.". He drank a mug of beer down in one draft, and the girls with him watched the muscles in his strong throat as he swallowed, and they laughed and chattered, and he shivered all over like a cart horse stung by flies. He said, "Oh! I can't --!" He bolted off into the dusk beyond the lanterns hanging around the brewer's booth. "Where's he going?" said one, and another, "He'll be back," and they laughed and chattered. want to read the Book of Names, you can come with us.". They were only voices and shadows to each other. inertia had been annulled. How was this possible? I checked, bending my knees slightly, at three. "There was no place for him among the Masters, since a new Master Summoner had been chosen, a strong man in his prime, not likely to retire or die. Among the scholars and other teachers he had a place of honor, but he wasn't one of the Nine. He'd been passed over. Maybe it wasn't a good thing for him to stay there, always among wizards and mages, among boys learning wizardry, all of them craving power and more power, striving to be strongest. At any rate, as the years went on he became more and more aloof, pursuing his studies in his tower cell apart from others, teaching few students, speaking little. The Summoner would send gifted students to him, but many of the boys there scarcely knew of him. In this isolation he began to practice certain arts that are not well to practice and lead to no good thing. legs, shouting out orders like he used to do. Standing up! Hasn't stood for years. The mage said, "Majesty, as you know, my poor skill has not availed, but I have sent for the greatest healer of all Earthsea, who lives in far Narveduen, and when he comes, your highness will surely walk again, yes, and dance the Long Dance." The Hardic people of the Archipelago live by farming, herding, fishing, trading, and the usual crafts and arts of a nonindustrial society. Their population is stable and has never overcrowded the limited habitable land available to them. Famine is unknown and poverty seldom acute. .aggrandize himself. "Come up to the house," the Patterner said, and he set out water and food for the Namer. .he could. Another, the old Stormcloud, used to be Losen's own ship, came in while I was there. I. He stopped and felt the dirt under his feet. He was barefoot, as usual. When he was a student on Roke, he had worn shoes. But he had come back home to Gont, to Re Albi, with his wizard's staff, and kicked his shoes off. He stood still and felt the dust and rock of the cliff-top path under his feet, and the cliffs under that, and the roots of the island in the dark under that. In the dark under the waters all islands touched and were one. So his teacher Ard had said, and so his teachers on Roke had said. But this was his island, his rock, dust, dirt. His wizardry grew out of it. "My mastery is here," the boy had said, but it went deeper than mastery. That, perhaps, was something Dulse could teach him: what went deeper than mastery. What he had learned here, on Gont, before he ever went to Roke. .Published by arrangement with Harcourt Brace Jovanovich, Inc. with his ideas, he had no thought beyond them. He was not aware of Otter at all except as a part. answer his questions about the Grove. But she said nothing, and he was shy and cautious, fearing. Staggering wildly the wizard tried to turn, lost his footing on the crumbling edge, and plunged down into the dark, his scarlet cloak billowing up, the werelight round him like a falling star.
